Location: 8-33-27W, Meade County
Current Operator: Aexco Petroleum, Inc. API: 15-119-20582-00-00

Dear Frank & Helen Classen Trust:

The 2009 Legislature passed *House Bill 2032*, known as the *Kansas Surface Owners Notice Act*. This Act requires the KCC to provide copies of drilling intents, operator transfers and well plugging applications to the surface owner if they are not provided by the lease operator. The *Operator of Record* has advised us that they have not provided you with a copy of the attached Well Plugging Application (CP-1) and Certification of Compliance with the Kansas Surface Owner Notification Act (KSONA-1) forms. Therefore, this letter and the attached forms shall serve as notice of the operator's action(s) in relation to the above-referenced well.

You do not need to respond to the KCC. Please contact the operator listed on the enclosed forms if you have any questions.

Cordially,

Rene Stucky
Production Department Supervisor
