BILL OF SALE & ASSIGNMENT
(Labette County, Kansas)

FOR AND IN CONSIDERATION of the sum of one dollar and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, **LABETTE ENERGY, LLC**, a Kansas limited liability company, 8311 E. Val Da Ventura, #2038, Scottsdale, AZ 85258 and **AZ HYDROCARBON, LLC**, an Arizona limited liability company, 8311 E. Val Da Ventura, #2038, Scottsdale, AZ 85258 (collectively "Assignors"), hereby sell, transfer, convey, assign and deliver to **DOUBLE EAGLE RESOURCES, LLC**, an Arkansas limited liability company, 507 S. 14th, Fort Smith, AR ("Assignee"), all of Assignors' right, title and interest in and to those oil, gas, royalty, and mineral interests and leases described on Exhibit A, attached hereto and incorporated herein, and those rights-of-way, easements, County Road Agreements, Highway Permit Agreements, and other agreements concerning the pipeline located in Labette and Montgomery Counties, Kansas described on Exhibit A-1, attached hereto and incorporated herein.

This Assignment is and remains subject to that certain Asset Purchase Agreement between the Assignors and Assignee dated as of January 13, 2005, which Asset Purchase Agreement is incorporated herein by this reference. Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Asset Purchase Agreement.

For the same consideration, Assignors assign and transfer to Assignee all of Assignors' right, title and interest in and to the Transferred Assets including the Leasehold Interests, the Pipeline Interests, the Equipment, the Contracts, the Books and Records, and other properties, contracts and interests described in Section 1.1(a) of the Asset Purchase Agreement.

Assignors warrant that they have good and marketable title to the Transferred Assets. Assignors further warrant that the personal property and tangible assets being conveyed hereby and are in good condition and working order, normal wear and tear excepted, and free, to the best knowledge of Assignors, from defects other than such minor defects that do not interfere with the continued use thereof in the conduct of normal business operations.

This Assignment shall not be deemed to supersede any of the terms of the Asset Purchase Agreement, and if there is any conflict between the terms of this Assignment and the terms of the Asset Purchase Agreement, the terms of the Asset Purchase Agreement shall prevail.

This Assignment shall be binding upon and inure to the benefit of the parties and their respective successors and assigns. This Assignment shall be effective as of the Effective Time as defined in the Asset Purchase Agreement.

Eneric Oil Group, Inc. individually and as Substitute General Partner of NEI Kansas Gas Pipeline, L.P. with offices at 56 East Burlington, Fairfield, Iowa (hereinafter called Assignor), for and in consideration of One Hundred Dollars (\$100.00) and other good and valuable consideration, receipt of which is hereby acknowledged, does hereby assign, transfer, grant, quitclaim and convey unto AZ Hydrocarbon, LLC, with offices at 2323 N. Central Avenue, #1701, Phoenix, Arizona (hereinafter called Assignee), all of Assignor's right, title and interest in and to the following:

- (i) All of Assignor's right, title and interest in and to the leases (whether one or more), force pooled interests, interests acquired under permits, rights-of-way, easements, licenses, farmouts, farmins, options, orders, and other contracts or agreements, and the lands covered thereby (the Leases), more fully and completely described on Exhibit "A" attached hereto and made a part hereof, together with the rights incident thereto, the personal Interests thereon, appurtenant thereto, or used or obtained in connection with said Leases; AND for the same consideration stated hereinabove, Assignor does hereby grant, convey, sell, assign, and transfer unto Assignee all of Assignor's right, title and interest in and to the wells located upon the Leases, or on lands pooled or unitized with any portion thereof, together with all casing, leasehold equipment, and personal Interests in or on or used in connection with said well or wells;
- (ii) All of Assignor's interest in and to all of the wells, equipment, materials and other personal Interests, fixtures and improvements on the Leases, including but not limited to the Interests described on Exhibit "B" attached hereto and made a part hereof, as of the Effective Time (as hereinafter defined), appurtenant thereto or used or obtained in connection with the Leases or with the production, treatment, sale or disposal of hydrocarbons or waste produced therefrom or attributable thereto, and all other appurtenances thereunto belonging (the "Equipment");
- (iii) All other leasehold interests, royalty and overriding royalty interests owned by Assignor in, to and under the Leases or attributable to production therefrom;
- (iv) All unitization, communitization, pooling, and operating agreements, and the units created thereby which relate to the Leases or interests therein described in Exhibit "A" and or which related to any units or wells located on the Leases, including any and all units formed under orders, regulations, rules and other official acts of the governmental authority having jurisdiction, together with any right, title and interest created thereby in the Leases;

- (v) All of Assignor's rights to claim revenues or gas resulting from any underproduction attributable to Assignor's interest in the Leases; and all rights in, to and under all agreements, product purchase and sale contracts, including any and all past, present, and future take-or-pay claims.
- (vi) All lease files, land files, well files, oil and gas sales contracts files, gas processing files, division order files, abstracts, title opinions, and all other books, files, maps, logs and records and all rights thereto, in Assignor's possession related to and necessary to the realization of value by Assignee or any of the property purchased hereunder.

All of Assignor's interest in the above-mentioned assets is herein collectively referred to as the "Property."

TO HAVE AND TO HOLD the Property unto Assignee, its successors and assigns, forever, subject to the following terms and conditions:

1. All costs, expenses and obligations relating to the Property which were incurred or accrued prior to the Effective Time shall be paid and discharged by Assignor, and all costs, expenses and obligations relating to the Property which were incurred or accrued after the Effective Time shall be paid and discharged by Assignee.
2. Assignee shall assume, as of the Effective Time, all contractual obligations of Assignor related to the Property which are recorded; provided, however, Assignee shall not assume any claims arising out of the production or sale of hydrocarbons from the Property, or the proper accounting or payment to parties for their interests therein, prior to the Effective Time or any other claim or demand against, or liability or obligation of Assignor arising from any act or omission whatsoever of Assignor, prior to the Effective Time, whether such claim, demand, liability or obligation is fixed or contingent, and whether the same arises by contract, tort or otherwise. Assignee shall, to the fullest extent permitted by law, protect, defend, indemnify and hold Assignor and its directors, officers, employees, agents and representatives of each of them, harmless from and against any and all claims, losses, damages, costs, expenses, diminutions in value, suits, causes of action or judgments of any kind or character with respect to any and all liabilities and obligations or alleged or threatened liabilities and obligations, including, but not limited to, any interest, penalty and any attorneys' fees and other costs and expenses incurred in connection with investigating or defending any claims or actions, whether or not resulting in any liability, attributable to or arising out of Assignee's ownership or operation of the Property from and after the Effective Time.
3. This Agreement is executed without warranty of title, either express or implied, except by, through, or under Assignor, but not otherwise, and without any express or implied warranty or representation as to the merchantability of any of the equipment or personal property or its fitness for any purpose and without any other express or implied warranty or representation whatsoever.

4. All ad valorem taxes, real property taxes, and similar obligations with respect to the tax period in which the Effective Time occurs (the "current tax period") shall be apportioned between Assignor and Assignee as of the Effective Time based on an estimate of the immediately preceding tax period assessment, and an adjustment shall be made in the post-closing adjustment for the amount of such estimated taxes owed by Assignor for that portion of the current tax period prior to the Effective Time. Assignee will be solely responsible for any and all sales taxes due on property or assets transferred by this Assignment and Bill of Sale. Assignee will bear and will pay any real property transfer taxes and any recording fees associated with the transfer of the property or assets transferred by this Assignment and Bill of Sale.
5. This Assignment and Bill of Sale shall inure to the benefit of and be binding upon the parties hereto, their heirs, successors and assigns.
6. Incidental and subsequent to the date hereof, each of the parties shall execute, acknowledge, and deliver to the other such further instruments, and take such other actions as may be reasonably necessary to carry out the provisions of this Assignment and Bill of Sale.
7. This Assignment and Bill of Sale may be executed by Assignor and Assignee in any number of counterparts, each of which shall be deemed an original instrument, but all of which together shall constitute one and the same instrument.
8. It is the intent of the Assignor to convey and this Assignment hereby conveys to Assignee, subject to the reservations and conditions herein contained, all of Assignor's right, title and interest on the Effective Time hereof in and to the Property, regardless of the omission of any lease or leases, errors in description, any incorrect or misspelled names or any transcribed or incorrect recording references.
9. Assignee shall bear all costs and liabilities associated with the plugging and abandoning of any wells or wellbores located on the Property and shall hold Assignor harmless from and indemnify Assignor against any and all claims arising out of or in connection with the plugging or abandonment of such wells or wellbores, including the payment of Assignor's attorney's fees and costs. If Assignee plugs or abandons any well or wellbore located on the Property, such plugging or abandonment shall be completed in accordance with the rules and regulations of any governmental body asserting jurisdiction over the Property.
10. Assignee agrees to secure any bonds, permits and other documents required by the appropriate regulatory authorities that may be necessary for Assignee to effect the transfer of the Property hereby and/or to cause the release of Assignor's continued liability as lessee and/or operator.

IN WITNESS WHEREOF, this instrument is executed the 21st day of AUGUST 2003, but shall be effective as of the 1st day of JUNE, 2003 (the "Effective Time").
