Kansas Corporation Commission
Attn: Sammy
130 S. Market, Room 2078
Wichita, KS 67202

Dear Sammy:

At the request of John McCannon, I am writing to advise the Commission that Oil Partners has taken over the contract operations of the leases we submitted for transfer.

In April of 2000 the control of Oil Partners changed and the new owners met with Marva Walker of Tom Brown Construction, Inc., and R&M Productions to discuss the future of the company. At the April meeting, Ms. Walker asked if we wanted to operate the leases and we agreed that we would.

We applied for an operator's license and started operating the leases in August 2000 and continue to do so.

To reiterate, the leases in question did not change hands. We are only changing contract operators. Oil Partners never did have any written agreements with Tom Brown Construction Co., R&M Production or Ralph and Marva Walker to operate these leases.

If you need additional information, please feel free to contact me.

Sincerely,

Morrie J. Soderberg
Partner
