Commence
AGREEMENT, Made and entered into this 10th day of December, 19 87,
by and between FRANK W. ROETS

Party of the first part, hereinafter called lessor (whether one or more) and
SCOTT OWENS AND JODY L. OWENS

Part of the second part, hereinafter called lessee,
WITNESSETH, That the said lessor, for and in consideration of \$1.00 DOLLARS,
cash in hand paid, receipt of which is hereby acknowledged, and of the covenants and agreements hereinafter contained on the
part of lessee to be paid, kept and performed, has granted, demised, leased and let and by these presents does grant, demise,
lease and let unto said lessee, for the sole and only purpose of mining and operating for oil and gas, and laying pipe lines, and
building tanks, power stations and structures thereon to produce, save and take care of said products, all that certain tract of
land situated in the County of WOODSON State of Kansas, described as follows, to-wit:
North Half of the Northwest Quarter (N1/2 NW1/4)
of Section Fourteen (14), Township Twenty-four (24),
Range Fifteen (15), containing 80 acres more or less.

of Section 14 Township 24 Range 15 and containing 80 acres more or less.

It is agreed that this lease shall remain in full force for a term of (1) one years from this date, and as long
thereafter as oil or gas, or either of them, is produced from said land by the lessee.

In consideration of the premises the said lessee covenants and agrees:

1st. To deliver to the credit of lessor, free of cost, in the pipe line to which lessee may connect his wells, the equal one-
eighth (1/8) part of all oil produced and saved from the leased premises.

2nd. To pay lessor for gas from each well where gas only is found the equal one-eighth (1/8) of the gross proceeds at the
prevailing market rate, for all gas used off the premises, said payments to be made per division order

and lessor to have gas free of cost from any such well for all stoves and all inside lights in the principal dwelling house on said
land during the same time by making his own connections with the well at his own risk and expense.

3rd. To pay lessor for gas produced from any oil well and used off the premises, or for the manufacture of casing-head
gasoline, one-eighth (1/8) of the proceeds at the prevailing market rate for the gas used, for the time during which such gas shall
be used, said payments to be made per division order

If no well be commenced on said land on or before the day of 19 ,
this lease shall terminate as to both parties, unless the lessee on or before that date shall pay or tender to the lessor, or to the
lessor's credit in The Bank at

or its successors, which shall continue as the depository regardless of changes in the ownership of said land, the sum of
DOLLARS, which shall operate as a rental and cover the privilege of defer-

ring the commencement of a well for months from said date. In like manner and
upon like payments or tenders the commencement of a well may be further deferred for like periods or the same number of
months successively. And it is understood and agreed that the consideration first recited herein, the down payment covers not
only the privileges granted to the date when said first rental is payable as aforesaid, but also the lessee's option of extending
that period as aforesaid and any and all other rights conferred.

Should the first well drilled on the above described land be a dry hole, then, and in that event, if a second well is not com-
menced on said land within twelve months from the expiration of the last rental period for which rental has been paid, this lease
shall terminate as to both parties, unless the lessee on or before the expiration of said twelve months shall resume the payment
of rentals in the same amount and in the same manner as hereinbefore provided. And it is agreed that upon the resumption of
the payment of rentals, as above provided, that the last preceding paragraph hereof, governing the payment of rentals and the
effect thereof, shall continue in force just as though there had been no interruption in the rental payments.

If said lessor owns a less interest in the above described land than the entire and undivided fee simple estate therein, then
the royalties and rentals herein provided shall be paid the lessor only in the proportion which his interest bears to the whole and
undivided fee, and the signing of this agreement shall be binding on each of the above named parties who sign, regardless of
whether it is signed by any of the other parties.

Lessee shall have the right to use, free of cost, gas, oil, and water produced on said land for its operation thereon, except
water from wells of lessor.

When requested by lessor, lessee shall bury his pipe lines below plow depth.

No well shall be drilled nearer than 200 feet to the house or barn now on said premises, without the written consent of the
lessor.

Lessee shall pay for damages caused by its operations to growing crops on said land.

Lessee shall have the right at any time to remove all machinery and fixtures placed on said premises, including the right to
draw and remove casing.

If the lessee shall commence to drill a well within the term of this lease or any extension thereof, the lessee shall have the
right to drill such well to completion with reasonable diligence and dispatch, and if oil or gas, or either of them, be found in pay-
ing quantities, this lease shall continue and be in force with the like effect as if such well had been completed within the term of
years herein first mentioned.

If the estate of either party hereto is assigned, and the privilege of assigning in whole or in part is expressly allowed, the
covenants hereof shall extend to their heirs, executors, administrators, successors or assigns, but no change in the ownership of
the land or assignment of rentals or royalties shall be binding on the lessee until after the lessee has been furnished with a
written transfer or assignment or a true copy thereof; and it is hereby agreed in the event this lease shall be assigned as to a
part or as to parts of the above described lands and the assignee or assignees of such part or parts shall fail or make default
in the payment of the proportionate part of the rents due from him or them, such default shall not operate to defeat or affect
this lease in so far as it covers a part or parts of said lands upon which the said lessee or any assignee thereof shall make due
payments of said rentals.

Lessor hereby warrants and agrees to defend the title to the lands herein described, and agrees that the lessee shall have
the right at any time to redeem for lessor by payment, any mortgages, taxes or other liens on the above described lands, in the
event of default of payment by lessor, and be subrogated to the rights of the holder thereof.

All express or implied covenants of this lease shall be subject to all Federal and State Laws, Executive Orders, Rules
or Regulations, and this lease shall not be terminated, in whole or in part, nor lessee held liable in damages, for failure to
comply therewith, if compliance is prevented by, or if such failure is the result of, any such Law, Order, Rule or Regulation.

Lessee agrees to pay Lessor a 3/16ths landowners royalty
