Dear Ms. Raigosa:

This is in response to your return of our T-1 Change of Operator Agreements on the above referenced wells. These wells was purchased as abandoned leases. There was no production on these leases. The past operator no longer resides in the United States, and will not be returning, due to warrents for his arrest. Therefore, there was no past operator. These were new leases and and affidavits of non-production has been filed.

Sincerely,

Mindy Wooten  
Production Manager
