Re: Woodruff #1
API 15-155-21527-0000
Reno County, KS

To Whom It May Concern:

Upon commencement of this well, we (Rupe Oil) were the operator. We used AA Drilling to drill the well. It turned out to be a dry hole, so we plugged it.

The well was taken over by AA Drilling, was re-entered and washed down. It is now operated by them. The forms ("Change of Operator" & "Intent to Drill") should be on file under the name of Paul Carageannis dba AA drilling, Operator License # 32753.

All landowner's damages, restoring surface, filling pits and plugging are the responsibility of Paul Carageannis dba AA Drilling, as he is now the operator. Copy of "Receipt and Agreement" and "Assignment of Oil and Gas Leases" is attached.

If you have any questions, please give me a call at the above number.

Thank you,

Becky Middleton
