**3 Pages including this cover sheet**

Per our conversation, following is the T1 on the Walters lease in Kingman County, Kansas. Your office requested this document on September 23, 2009 and I mailed it into Mr. Jim Hemmen on September 30, 2009. Since this change was made back in 2008, it was not required to notify the surface owner. Therefore, we don't have a KSONA-1 form associated with the well. I hope that is okay. Please email me a confirmation that you received this and let me know if is acceptable.

Thank you.
