When filing a Form T-1 involving multiple surface owners, attach an additional sheet listing all of the information to the left for each surface owner. Surface owner information can be found in the records of the register of deeds for the county, and in the real estate property tax records of the county treasurer.

If this form is being submitted with a Form C-1 (Intent) or CB-1 (Cathodic Protection Borehole Intent), you must supply the surface owners and the KCC with a plat showing the predicted locations of lease roads, tank batteries, pipelines, and electrical lines. The locations shown on the plat are preliminary non-binding estimates. The locations may be entered on the Form C-1 plat, Form CB-1 plat, or a separate plat may be submitted.

Dear Mr. and Mrs. Riebel:

My name is Dennis Lisack and I am the agent and manager for Blue Top Energy LLC. This letter is to inform you that we recently acquired the Roach lease from Robert Brotherton and P&R Oilfield Services and will take over as operators of the lease. Enclosed is a copy of the T-1 we are submitting to the KCC to that end.

We are presently operating several leases in the area and you are welcome to visit those sites to assure yourselves that we are conscientious and good stewards of the land. You can also speak with the landowners, Alan Hauser and Carroll Baker.

My cell number is 502-639-2047 if you want to discuss any issues with me. I will be back in Kansas right after July 4th and plan on being there till December to oversee operations.

We plan to upgrade the lease and hopefully increase production.

Cordially,

Dennis J. Lisack
Manager and Agent for
Blue Top Energy LLC
