Dear Fred and Eric:

The majority interest owner of the above mention lease, American Resource Technologies, Inc., is terminating you as the Operator immediately for cause. This notice is to inform you that you are to "cease and desist" immediately as Operator. You are not to go onto the property unless monitored by law enforcement in the area, by a staff member of American Resource Technologies, Inc or a representative of their choice. According to your "Operating Agreement", we have hired another Operator to take your place. So therefore, there will be no reason for a 90 day delay. Please understand that your termination is IMMEDIATE. The landowner and interest owners have been notified.

We are aware that you have some equipment on the property and we understand that you will need to remove it. You are not to go onto the property without Hugh Fowler, Pat Wilson or a representative of their choice. Please also understand that you are being removed for cause. We have notified the authorities at the city, county and state levels regarding this removal. Also please find the attached accounting letter regarding your invoices and balance.

We will try to make this an easy transition and it is in your best interest to comply.

To Whom It May Concern:

Please note there is no signature of the past operator. Enclosed is a letter from the lease owner to Fred and Eric Oden dba Aesir Energy that terminates their services on the Ownbey lease. Therefore, they have refused to sign this T1. I have talked with Ryan Hoffman and he stated that this termination letter would show cause why they have not signed. If you have any questions please call or email me.
