RE: ADA HALLOCK #1-29  
C S/2 SW/4 SECTION 29-32S-28W  
MEADE COUNTY, KANSAS

Dear Mr. Chapman:

Quinque Operating Company recently purchased Savelle & Stull's partial interest in the above referenced well, and we have assumed the duties of Operator of the well.

We have visited with the pumper of the well and agree with him that an alcohol injection pump would be desirable in order to reduce down time due to freezing. We estimate the installed cost of this equipment to be about \$650. Other than this addition, we foresee no immediate change in any of the procedures or policies on the well.

We look forward to a mutually satisfying relationship with you. Enclosed is a brief outline about our Company and its principals. If you have any questions, please call us. Sharon Freeman is our Office Manager; Marie Redger is our Bookkeeper. Either might answer the phone. If you are in Liberal, our office is on the corner of Third St. and Lincoln, one block west of the Peoples National Bank.

Yours very truly,
