Surface owner information can be found in the records of the register of deeds for the county, and in the real estate property tax records of the county treasurer.

If this form is being submitted with a Form C-1 (Intent) or CB-1 (Cathodic Protection Borehole Intent), you must supply the surface owners and the KCC with a plat showing the predicted locations of lease roads, tank batteries, pipelines, and electrical lines. Subject: Sellens Lease

Hi Mr. Ogan:

In processing your T1 for the Sellens Lease, I found that the SWD well that was included for D-30,830 was included. This well is not within the county or legal description on the T1/KSONA that we have sent out the copies that are required.

You will need to resubmit a new T1 for the SWD 15-009-25382-00-01 for permit D-30,830.

If you have any question or need any further information, please do not hesitate to contact us.
