**Subject:** notice of changes on T-1 for DK Oil Services

COPY

Cheryl, I am responding to the email you sent to Debbie Doherty at JTC Oil regarding the T-1 for DK Oil Services.

Can I go ahead and give you approval to make the necessary changes of wells and sections for the T-1 or how do you want approval?

The wells you mentioned at the end of your email that need to be added are fine to add. Do you do this or do I add to the T-1 copy you sent me.

The sections changes are fine to do also.

What do you need me to change and send back to you?

Regarding W60 the article was run so we will file the appropriate paperwork to get it approved for injection.
