OIL AND GAS LEASE

1. It is agreed that production of oil presently exists on the leased premises and this lease shall remain in full force for as long thereafter as oil, gas or any substance covered by this lease of whatsoever nature or kind is produced from said leased premises, or drilling operations are continued as hereinafter provided. If after discovery of oil or gas on said land, the production thereof should permanently cease from any cause, this lease shall not terminate if Lessee commences additional drilling or re-working operations within ninety (90) days from date of cessation of production or from date of completion of dry hole. If oil or gas or other products covered by this lease shall be discovered and produced as a result of such operations, this lease shall continue in force so long as oil or gas is produced from the leased premises.

2. In consideration of the premises the said Lessee covenants and agrees:

1st. To deliver to the credit of Lessor, free of cost, in the pipeline to which Lessee may connect wells, the equal one-eighth (1/8) part of all oil produced and saved from the leased premises.

2nd. To pay Lessor one-eighth (1/8) of the net proceeds at the well from proceeds received for gas sold from each well where gas only is found, or the market value at the well of such gas used off the premises.

3rd. To pay Lessor one-eighth (1/8) of the market value at the well for gas produced from any oil well and used off the premises, or for the manufacture of casing-head gasoline or dry commercial gas.

4th. To pay Lessor one-eighth (1/8) of the proceeds received from the sale of any substance covered by this lease, other than oil and gas and the products thereof, which Lessee may elect to produce, save and market from the leased premises.

5. Lessee shall have the right to use, free of cost, gas, oil and water produced on said land for Lessee's operation thereon, except water from the wells of Lessor. When requested by Lessor, Lessee shall bury Lessee's pipe line below plow depth. No well shall be drilled nearer than 200 feet to the house or barn now on said premises without written consent of Lessor. Lessee shall pay for damages caused by Lessee's operations to growing crops on said land. Lessee shall have the right at any time to remove all machinery and fixtures placed on said premises, including the right to draw and remove casing.

6. If the estate of either party hereto is assigned, and the privilege of assigning in whole or in part is expressly allowed, the covenants hereof shall extend to their heirs, executors, administrators, successor or assigns, but no change in the ownership of the land or assignment of rentals or royalties shall be binding on the Lessee until after the Lessee has been furnished with a written transfer or assignment or a true copy thereof; and it is hereby agreed in the event this lease shall be assigned as to a part or as to parts of the above described lands and the assignee or assignees of such part or parts shall fail or make default in the payment of the proportionate part

OIL AND GAS LEASE

of the rents due from him or them on an acreage basis, such default shall not operate to defeat or affect this lease in so far as it covers a part or parts of said lands upon which the said Lessee or any assignee thereof shall make due payments of said rentals. If the leased premises are now or hereafter owned in severalty or in separate tracts, the premises, nevertheless, may be developed and operated as an entirety, and the royalties shall be paid to each separate owner in the proportion that the acreage owned by him bears to the entire leased area. There shall be no obligation on the part of the Lessee to offset wells on separate tracts into which the land covered by this lease is now or may hereafter be divided by sale, devise, or otherwise, or to furnish separate measuring or receiving tanks for the oil produced from such separate tracts.

7. Lessor hereby warrants and agrees to defend the title to the lands herein described, and agrees that the Lessee shall have the right at any time to redeem from Lessor by payment, any mortgages, taxes or other liens on the above described lands, in the event of default of payment by Lessor, and be subrogated to the rights of the holder thereof.

8. If Lessor considers that Lessee has not complied with all its obligations hereunder, both express and implied, Lessor shall give written notice to Lessee specifically describing Lessee's non-compliance. Lessee shall have ninety (90) days from receipt of such notice to commence, and shall thereafter pursue with reasonable diligence, such action as may be necessary or proper to satisfy such obligation of Lessee, if any, with respect to Lessor's notice. Neither the service of said notice nor the doing of any acts by lessee in response thereto shall be deemed an admission or create a presumption that Lessee has failed to perform all its obligations hereunder. Lessor may not commence any judicial action for forfeiture of this lease or for damages until after said 90-day period. Lessee shall be given a reasonable opportunity after a final court determination to prevent forfeiture by discharging its express or implied obligation as established by the court.

9. All express or implied covenants of this lease shall be subject to all Federal and State Laws, Executive Orders, Rules or Regulations, and this lease shall not be terminated, in whole or in part, nor Lessee held liable in damages, for failure to comply therewith, if compliance is prevented by, or if such failure is the result of, any such Law, Order, Rule or Regulation. Lessee shall further be excused from compliance with the express or implied covenants of this lease if performance becomes impossible or impracticable as a result of an event or effect that the parties hereto could not have anticipated or controlled under the legally accepted principal of force majeure.

10. Lessee agrees that upon the termination of this lease to plug all wells in compliance with Kansas Corporation Commission requirements, and to restore the surface estate to an acceptable condition.

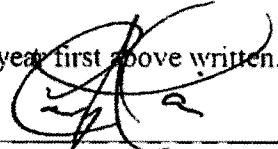

To the extent any party hereto presently holds an interest as a lessor or lessee in an oil and gas lease upon the leased premises, that party hereby releases such interest which shall be replaced with this Oil and Gas Lease and the Agreement and Addendum to Oil and Gas Lease.
