Sec. 23-33S-35W
Stevens County, Kansas

Dear Mr. McCannon:

Mobil Exploration and Producing, Inc. is the operator of the above referenced lease and has a 50% working interest. DMS Oil Company owns the other 50% working interest. Recently Mobil sold its interest to Hugoton Energy Corporation. There is a dispute between Hugoton and DMS Oil Company regarding who will become successor operator. Mobil has sent a change of operator form to the Kansas Corporation Commission designating Hugoton as the new operator. We hereby request that the Commission not approve this operator change until the parties involved can resolve the dispute and agree on who will become operator. We will promptly notify the Commission when the dispute is resolved.

If you have any questions, please contact this office.

Sincerely,

DMS OIL COMPANY
