RE: Docket No. 191,370-C
(C-27,579)

Dear Mr. Aul:

We received the T-1 transfer form transferring operatorship of the Hula No. 14-1 well to Fagadau Energy Corporation. At the present time we cannot process this transfer due to the fact that Fagadau Energy Corporation still has not paid the penalty assessed in the above-referenced docket. You will recall that on May 14, 1996, Dan Carroll wrote to you agreeing to accept payment of \$250 in full satisfaction of this penalty. In a phone conversation with Dan Carroll today, I was advised that he still has not received payment. Once this payment is received we will process the T-1 form for the Hula No. 14-1 well.

If you have any questions, please feel free to call me.

Very truly yours,

John McCannon

Re: Hula # 14-1
Harper Co., Ks.

Please find attached a T-1, change of operator form for the above referenced well. I received a call from our gas purchaser, WESTERN GAS RESOURCES, INC. and they indicated FAGADAU ENERGY CORP. had not been set up as operator.

With this letter I am requesting the KCC look in to this matter and determine if we are the operator of record for the Hula well.

If you have any questions I can be reached at the number listed below.

Yours very truly,
FAGADAU ENERGY CORP.

Production Manager
