Dear Mr. Salamone:

This letter is written as a follow-up to our phone conversation this morning. You will find enclosed a copy of the transfer submitted for the Larrabee 1-23 Lease in Meade County, Kansas. You will also find enclosed a copy of the rules and regulations governing oil and gas production in Kansas. There are also copies of all forms required by the state of Kansas to be filed at different stages of exploration and production. There is also included a copy of a license application to be completed and returned to this agency as the lease transfer cannot be processed unless the new operator has a valid Kansas Operator's License. I hope this information will prove helpful to you. Your cooperation is appreciated in this matter. Should you have any questions or concerns please feel free to call me at (316) 337-6227.

Sincerely,

A handwritten signature in cursive script, appearing to read "Sammy K. Flaherty".
