**To:** Tom Guilfoyle  
**Subject:** Kruger & Son MW-1 Plugging

Tom,

Can you please confirm via email that we were approved to not remove the top 3 feet of the casing and not remove the well vault when abandoning MW-1 due to the nature of the well head being paved over with asphalt and not wanting to damage part of the surrounding asphalt-covered walkway and handicap accessible curb-cut ramp. Documented approval will accompany the WWC-5P form.
