SURVEYING OF MONITORING WELLS ROSS SERVICE CENTER WICHITA, KANSAS

The above site is in Section 21, Township 27 South, Range 1 East of the Sixth Principal Meridian, Sedgwick County, Kansas. The Southeast corner of Section 21 was assigned coordinates of 00.00 North and 00.00 West.

The vertical control was top of casing elevations from previous surveys. The previous control point had been destroyed. A new control point was established as a chiseled 'X' on top of the back of curb on the radius at the northeast corner of the site, adjacent to a fire hydrant.

The Latitude and Longitude were recorded from a GPS unit. The site is located on the 7.5' quad map titled "Wichita East".
