Incorrect Water Well Record
Rice County, Kansas

Dear Mike:

Williams recently conducted a Water Well Record Search around our Mitchell Storage Facility and discovered a water well record that has been recorded in the wrong section. I have attached a copy of the water well record with this letter. The water well record indicates a legal description for this well as; SE 1/4 of the SE 1/4 of the SE 1/4 of Section 34, Township 19 South, Range 7 West.

After contacting the owner of this well, Mr. Jim Hollinger, we discovered that the legal description for this well should be: SE 1/4 of the SE 1/4 of the SE 1/4 of Section 32, Township 19 South, Range 7 West. Please modify your water well record database to reflect the correct location for this well.

If you have any questions or require additional information, please call me at 913-663-9337.

Sincerely:

Tom V. Daues
Environmental Specialist
