2. The Purchaser, being desired of having an Irrigation Well constructed and purchasing an Irrigation Pump, hereby agrees
to purch se from the Seller, a Pump and construction of a Well to be located on NE 41-24-7W - s follows:
 The Purchaser-has put down a Test Well and the approximate depth of the Irrigation Well will be <u>76</u> It is agreed the Sell r shall first put down a Test Well on the Purchaser's land to ascertain the approximate depth and approximate amount of water that can be pumped from a well on this location.
5. If the Test Well proves satisfactory and an Indigation Well is drilled and a Pump installed and purchased, then there shall be no charge for the first Test Well, but if more than one Test Well is made before satisfactory formation is found; then the
Purchaser agrees to pay 3 - 5 - per foot for additional Test Wells, in a idition to the amount spacified for the complete Well, well casing and Pomp as follows:
6. It is for ther agreed that the Seller may, at his option cancel this contract if the Test Well proves the soil formation is not satisfactor to produce a good Well or difficult to drill with his equipment, by giving written notice within fon days after drilling of the Test Well or Wells.
7. It is further agreed that for the purpose of arriving at the cost or price of a Well, Pump and other equipment installed,
it is agreed that for a Well feet deep, and a WESTERN LAND ROLLER Turbine Pump with head,
cambly, WELL AT \$1300 / FT FOR COMP. WELL
which pump is guaranteed to pump gallons per minute, provided the Well will produce that amount of water,
the Purchasor will pay \$ for drilling the Well, for the Well Casing and the Pumping Fulpment, complete, promptly after the Pump has been installed in the Well and run to prove everything is operating satisfactorily as per this
s ceencent; payment to be made s in Cash, balance by signing note and mortgage papers to conform with F. H.
 3. It is further agreed that all materials furnished in this job, either involled or not installed; such as easing for the Well, Pump and other equipment or plots, shall remain the property of the Beller until fully settled for in cash and may be removed by the Seller without recourse to how or replayin at any time Seller may feel insecure or that payment per contract terms are refused. 9. It is further agreed that the Purchaser shall furnish, at his expense, power for operating the Furnp while being tested.
9. It is further agreed that the Purchasor shall furnish, at his expense, power for operating the Purch while being tested.
the 90 feet specified above, then the Purchaser agrees to pay \$ 13 22 per foot, more or less, as the case may be, than the amount specified.
11. It is further agreed that if Pump setting is changed from the depth specified, there shall be added or deducted, as the common may be, Sfor each stage added or deducted and there a all be added or deducted \$per foot for each for to for column added and deducted.
12. The Seller as less to drill not less than a $\frac{36}{10}$ inch diameter Well and to install a $\frac{10}{10}$ gauge $\frac{10}{10}$ is the
diameter casing, plain and <u>GROF</u> and to gravel-pack between this casing and the outer wall. In other words, to construct what is termed a Gravel-packed Well.
13. The Parabaser agrees to furnish on the job gravel necessary for gravel-packing the casis 3, and also board and room for three drillers while on the job. $13 = 10^{-2.4}$
the Pumping equipment as quickly as pothile thereafter.
15. It is further agreed that the Seller shall not be responsible nor held liable for damage to crops or property by season of dry we her or other causes because Well and Pump were not installed at a certain time, or due to delays in drilling oper- ations on this or other jobs, for any reason which the Seller cannot always former, or which may be beyond his control.
16. Is further agreed that if the Test Well, or Vells, prove us attracting and the Purchaser thes not permit the Seller to protect and put down an Irrigation Well, and it is hereby agreed that he has this option, then the Purchaser agrees to pay the Seller 2° $\sqrt{2^{\circ}}$ purchaser for each first Well and it more than one Test Well is put down, then 5° $\sqrt{2^{\circ}}$
the Seller \$
17. The Purchaser further agrees to make down payment of \$ upon the signing of this Contract; receipt of which
is hereby acknowledged by the Seller. This to be deducted from the full price of the Well, Pomping Equipment if completed and installed, or from the cost of running a Test Well if no Well and Pump is completed. If the Test Well does not
amount to \$ en a stund will be made to the Purchaser. ALL PRICES ARE ADJUSTABLE TO THOSE 18. Sign d and dated this 19 day of 10 145C IN EFFECT AT TIME OF SHIPMENT
